Family Violence in Georgia... a community problem.

Did you know that nearly one third of American women report being either physically or sexually abused by a loved one at some point during their lives? Or did you know that domestic violence and sexual assault are the leading causes of injury for women between the ages of 15 and 44 in Georgia?

We need your help. Concerned citizens, medical professionals, business professionals, law enforcement, clergy, educators, judges, attorneys, etc... we need your leadership to strengthen Georgia's families by helping to end violence in our communities. Join your local Domestic Violence Task Force and play a part. To learn more contact our office.

If you or someone you know is the victim of domestic violence please call the free state wide domestic violence hotline at:
